Sir,

I have the honour to forward herewith three lists of the furniture and books which had been supplied from the General and Revenue Secretariat for the use of the Special Duty Office under me. As the articles noted in list No. 1 are not wanted here and they are easily transportable, I propose to return them.

2. The articles mentioned in list No. 2 will be very useful for the District Office here; and I therefore request that I may be permitted to retain them here for the use of the office. In case of its not being possible to allow them to be retained here free of cost, I request that sanction may be accorded for their purchase for the District Office for the prices noted against each, out of the allotment to be provided for the

District

572

District Office in the next year's Budget under "Purchase of furniture".

3. As regards the articles noted in list No. 3 some of which are of trifling value and othere (such as tables, chairs etc.) not easily transportable , I would suggest that they may be ordered to be sold by auction and the sale-proceeds credited to Government. A few of the articles in the list - particularly chairs and tables - are likely to be useful for the newly sanctioned Bench Magistrates' court in the District; and such as are so required will, if approved by Government, be purchased for the use of the court at the price mentioned in the list out of the allotment sanctioned therefor by Government.

4. I request that you will kindly favour me with the early orders of Government on the above proposals.
